Impact of Corona & more opportunities

- Classes to begin : As scheduled from 15 July 20, in online mode- live interactive with trainers
(You need to have laptop and network connection)
- Internship - As scheduled (post monsoon)
- Placement and jobs - As scheduled. More opportunities to come as industry will look for speedier construction to fill the backlog & skilled resources to get better efficiency.
- It is a best period to invest time in upskilling and upgrading
- No impact on quality training - latest and easy to use technology of online training using gotomeeting
